Kansas through the approaching winter. Boston has made  
a special collection for the State of Kansas and other material  
will be sent to New York behind.

The undersigned have opened an office at No. 125 Broadway, N. Y., where donations of clothing may be sent. The  
expenses of transportation being great, new Garments are so-  
lved. Warm Stockings, strong Boots and Shoes, Blankets,  
Flannel Shirts, and other articles for Clothing, are invited to  
send. Let benevolent merchants send us goods, let Fairs be  
held in aid of Kansas; let contributions be taken up in our  
churches; let the energy of all denominations be exerted per-  
sonally; let every man, woman, and child do what he can for  
himself; in short, let there be an earnest and im-
